Whole Family Support for Mental Health

New York State Children's Mental Health Rehabilitation Services Program

Green Chimneys partners with the New York State Children's Mental Health Rehabilitation Services Program to provide therapeutic treatment to youth served under New York State Children's Medicaid.

The program is designed to give children/youth (under 21) and their families the power to improve their health, well-being and quality of life. These services strengthen families, and help them make informed decisions about their care. Services are provided at home or in the community.

Therapeutic Support *Other Licensed Practitioner*

- Get assessments for mental health and/or substance use needs
- Identify strengths and abilities through individual and group therapies
- Receive individual, group or family therapy where you are most comfortable

Counseling Services *Skill-Building and Community Psychiatric Supports & Treatment*

- Incorporate therapy goals into everyday life and additional support in managing medication
- Build relationships and communicate better with family, friends and others
- Learn self-care, and use coping skills to manage emotions.
